

Parking at a Port Near You

Overview

Parking at the Port (www.parkingattheport.com) is a popular website that provides visitors with detail information about Ports of Call in the US, Canada and the Caribbean. The information provided includes:

- 📍 Parking Facility information
- 📍 Transportation and Rental Car information
- 📍 Hotel accommodations near the port
- 📍 Restaurants near the port
- 📍 Attractions for visitors who are spending some time in the port
- 📍 Shopping venues that are close to the port
- 📍 And miscellaneous places that might be useful to a cruiser, i.e. banks and medical facilities

ParkingAtThePort.com's visitors are a highly target audience for advertisers, because they are already planning to travel to the destination that they are researching. The website provides a highly targeted and effective method of advertising for B2C venues who want to reach travelers and cruisers visiting their destination.
